History:
Sometimes a new wine is like a NEW ADVENTURE. What is hidden there?

Vinification method:
Classic fermentation method with destemming and pre fermentative skin contact followed of the application of dry yeasts. Fermentation up to 30° C in the first 2/3, and lowering down to 20° C during the last 1/3. During the whole fermentative process, pumping over 2 times per day, using each time half of the volume contained in the vat. After the alcoholic fermentation, the cap is plunged for 30 days, and during that period, extraction of the gentle tannins is conducted, along with the malolactic fermentation and the natural stabilization of the wine.

Winemaker tasting notes:
Ruby in color, bright, very fruity and aromatic. In the tasting it is very balanced, fruity, flavorful, and elegant giving a great pleasure.

Serving suggestions:
Excellent as an aperitif, a perfect everyday wine. Excellent complement of white or red meat dishes, meat stews, roasts, barbecues, pastas, pizzas, vegetarian dishes, Mexican, Chinese, Thai cuisine and cheese dishes.
Serve at a temperature of 16 to 18°C.

TASTING NOTES
A balanced and complex wine. Driven mainly by red berries that show as ripe and jammy on the palate.
