Best Buy and a rating of 84 in the Wine Enthusiast of April 2010 was a great recognize of the excellent ratio price/ quality of the CORETO white 2008. Here's the appreciation of the editor to the CORETO white 2008: A soft and creamy wine, freshened with a little citrus. It has only light acidity, the main focus being pear and red apple flavors. It rolls easily around the palate, finishing freshly. Wines of Portugal 2010 by João Paulo Martins

Coreto white 2008 appreciated by João Paulo Martins

Very fresh in the aroma, full of green notes where the acid apple shows presence, at the side of the vegetable green remembering Arinto grapes. Modern in the profile but fine and elegant. Very pleasant in the tasting, the acidity was vibrant giving good freshness; the style was able to be a good companion for delicate fishes. 15 / 20 pts
